Show and Tell: Religion: We have been learning about the Creation story. Draw and label a picture of your favourite things (animals, plants etc..) God has created. You need to be prepared to tell us why you like these in particular.

Parent Information Night
Thank you to those parents who came along to our 1/2 Parent Information night. It was great to answer your questions and discuss the goals we have for this year. If you were unable to make it on Tuesday night please pop into the classroom to pick up an information pack and sign up for a CHAT. You’ll have a sheet to fill in and bring along to the chat, so please be prepared for that.

Ralph
Ralph is our class mascot and will be coming to your homes throughout the term. Just to clarify that the poster activity doesn’t have to be completed when you return him to the class- your child has 2 weeks to put it together. Also I place a note in the bag that states when Ralph needs to come back to school...PLEASE try to get him back on that day so that the next child on our timetable can have him... otherwise some children will miss out this term and that will be very sad. Thank you for your assistance.

For the girls: Nail polish is not allowed to be worn to school, so if your daughter has it on can it please be removed over the weekend?

Warm regards, Mrs. Tanja Mulcahy
